Recommendation: 14 tokens

```java
private void toggle() {
    if (mVisible) {
        hide();
    } else {
        show();
    }
}
```

Actual Implementation: 15 tokens

```java
private static void toggle() {
    if (m visible) {
        hide();
    } else {
        show();
    }
}
```
